Project Timeline

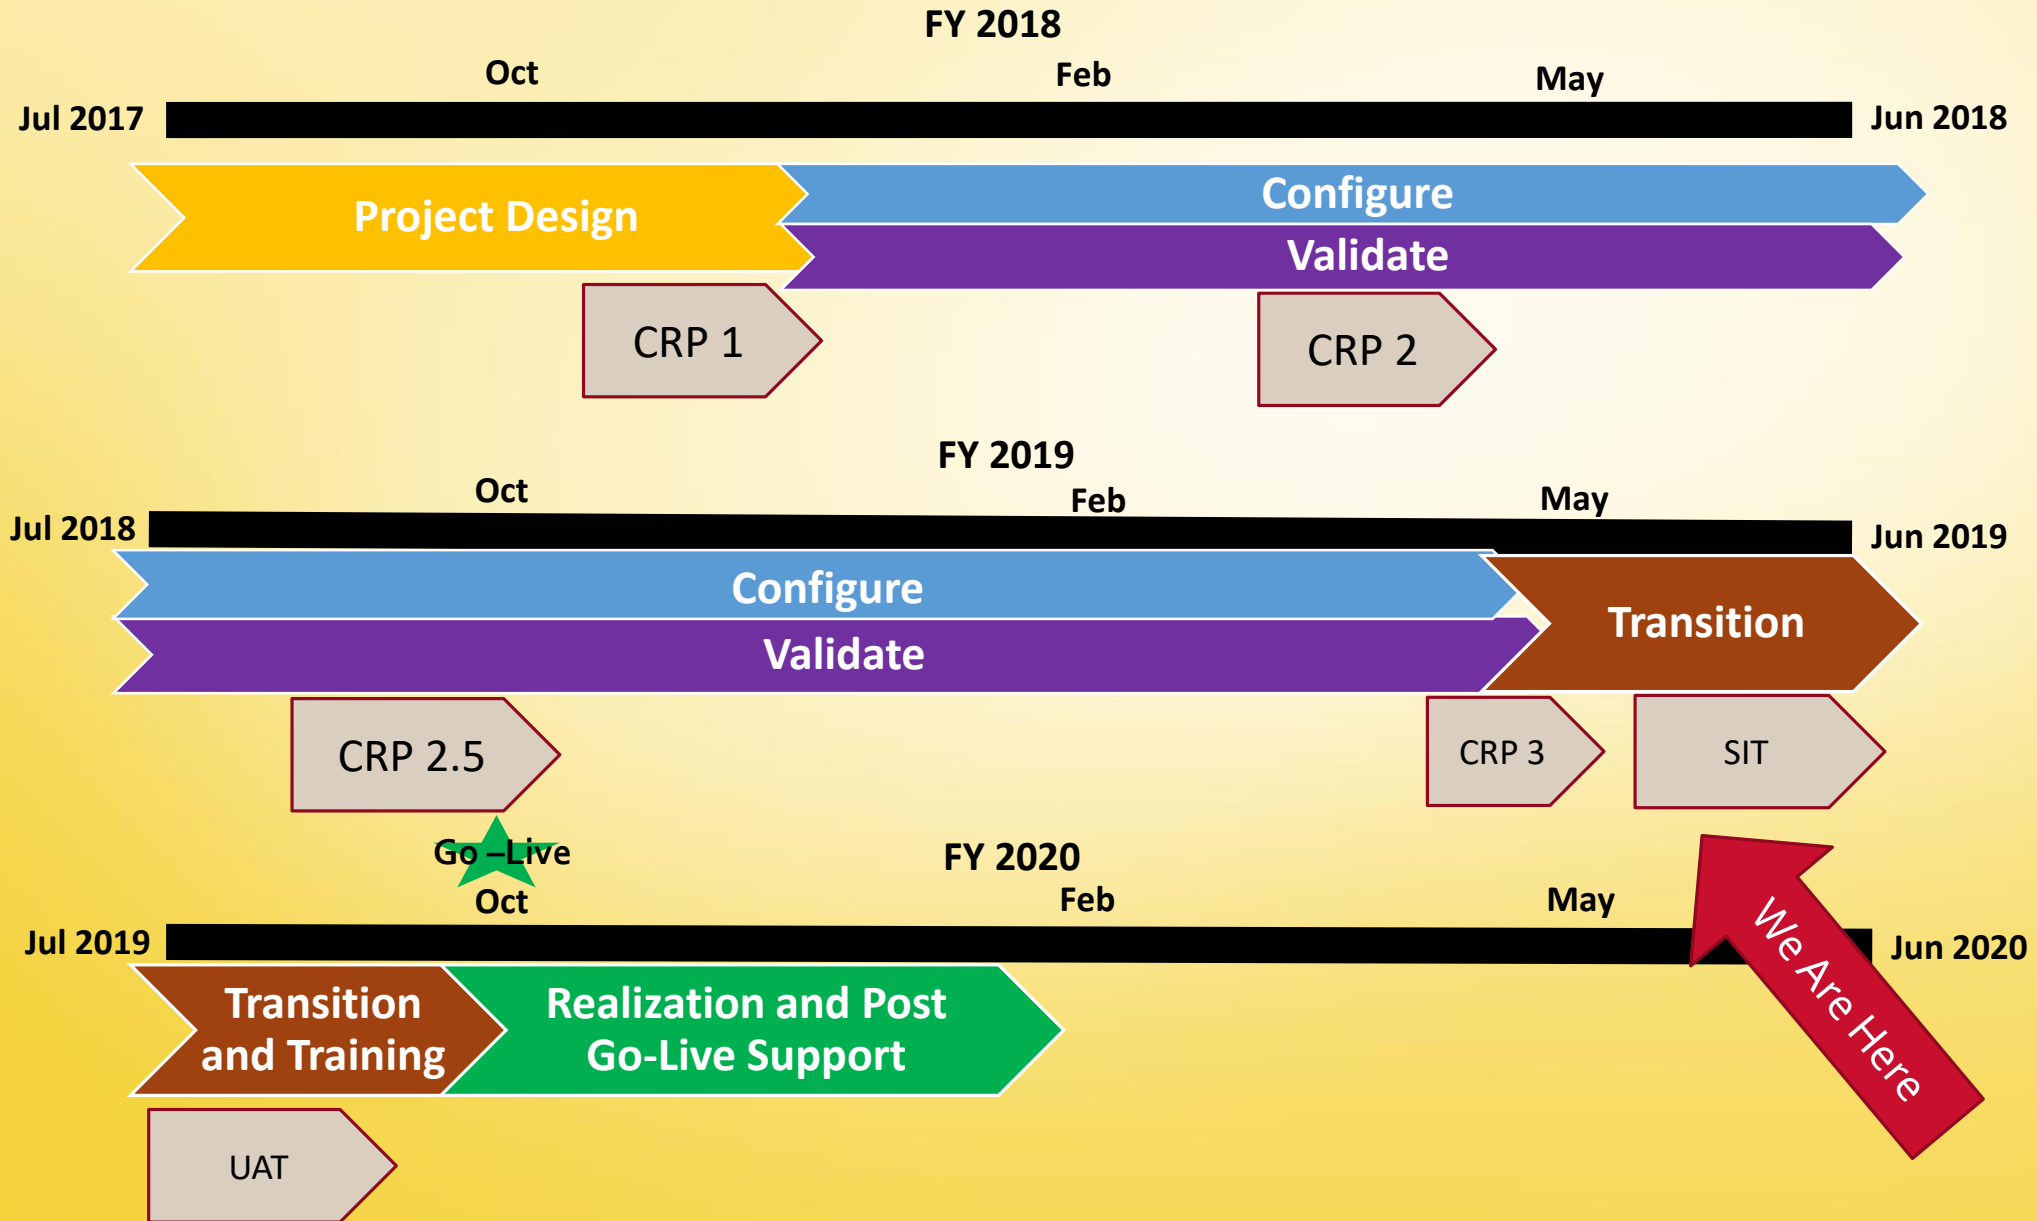

Chart of Accounts

- COA Presentation – Focus Group 5/14/19
- Additional Sessions coming soon – starting June 12th
- Includes Quantum Analytics demo
- How to get COA info to all users?
- How to notify users of Activity and Purpose segments decisions made by Schools/Depts? (i.e., how did my school decide to use them?)

Crosswalk

- Crosswalk has been open for updates since 5/6/19
- Updates as of 5/28 – will be used for UAT
- Can still update after 5/28 – for go-live
- New tab – Quantum Combos (SOAPF) – for additional account combos
- Send questions/requests to quantumfinancials@umaryland.edu

Town Hall

- Tuesday, June 4, 2019 from 10 am – 12 pm
- PH N203
- Topics
 - Timeline/upcoming milestones
 - Business process and COA changes – high level
 - Quantum Analytics – demo
 - Training plans
 - How to get ready for go-live

Training Rooms

- Are there any computer training rooms available in your department/school that could be used for Quantum training?
- Size of room could vary with needs of the department/school
- We need to schedule through go-live
- Would give your users the chance to attend training locally and with coworkers
- Contact Robin Reid rreid@umaryland.edu
